1. Describe the role that Slack played in your group work during this semester.

2. Did you use any other digital communication technologies (Skype, email, etc.), if so briefly describe their role in your group work.

3. Did you develop any practices (routines, rituals, rules etc.) that were used with the specific digital technologies? Explain why these were necessary.

4. Briefly evaluate the usefulness of the digital technologies used this semester in comparison to others you have used in the past. How have they changed your group work practices and learning experience more generally?
